

Additional Help

To learn more about our online community, please access the Help Center.

- Click Help from the top right corner of any page.
- Try Video if you would like to see the tools in action. Look for the Audience section to narrow down which videos you should watch.
- To ask a church staff member a question about the online community, use the Contact CCB link. Our designated contacts will appear under the Support Contacts section and you can easily email the question by clicking the Send Email link or contact the church at the number shown.
